Run responsibly

You should abide by British Orienteering's Covid-19 [Code of Conduct](#), particularly social distancing.

Maybe we're stating the obvious. In essence, there is no reason why this should be different from any other run – or walk, or jog – you do. But sometimes we concentrate too hard on the map, or get carried away with beating the clock. So keep safe:

- Watch out for hazards, especially the ones we specifically mention on the front of the map. Others include trip hazards, impacting hard objects and passers by.
- Pay particular attention to traffic on roads.
- Keep social distance. These are public areas.
- Dress appropriately for the weather & avoid extreme conditions. For our forest courses full leg cover is better.
- Consider how much guidance your child or vulnerable adult needs. We do not recommend street courses for unaccompanied under 16s.
